ACCIDENTS DON'T HAPPEN ON A TIMELINE.
FLY-U-HOME HAS YOU COVERED.

RECOVER CLOSER TO HOME

Fly-U-Home is a must-have membership for those who travel more frequently or are away at college. If you or a family member are ever admitted to a hospital more than 150 nautical miles from home, you'll have the option to be transported by a medically-equipped aircraft to your local hospital of choice. You can travel without worry, knowing you have access to the highest level of medical care—flying ICUs.

Fly-U-Home also provides access to medical referrals, consultation, and prescription assistance. Additionally, members have access to Fly-U-Home's Logistics Center for information about how and where to obtain medical care while at home or while traveling.

AFFORDABLE PEACE OF MIND

Fly-U-Home is affordably priced at $159 per year, with discounts available to existing AirMedCare Network members. And as with an AMCN membership, you'll have no out-of-pocket expenses in relation to your flight and membership covers the entire household.

JOINING IS EASY!

HOW DOES IT WORK?

— 1 —
CALL TODAY

A simple call will begin the process of getting you to the hospital of your choice. All you need is to confirm that the trip requires medical escort and that you will remain a hospitalized inpatient upon landing.

— 2 —
AMCN HANDLES EVERYTHING

We're there every step of the way. We'll get you from hospital A to hospital B, confirm bed availability, coordinate with your admitting physician, and arrange for the proper aircraft and crew for your treatment and transport.

— 3 —
RECOVER WITH PEACE OF MIND

As a member, you will never see a bill for your flight. These flights typically cost tens of thousands of dollars, and are rarely covered by insurance. With a Fly-U-Home membership, you can focus on recovery, not finances.
